Flag Design Competition
Results**

The Flag Design Competition 2020 organised by the Joint Mediation Helpline Office (“JMHO”) has concluded successfully. The competition was well received with about 200 entries. Participants have demonstrated their creativity and their understanding of “Resolving Disputes and Creating an Inclusive Society by Mediation”. By organising this competition, the JMHO was able to promote mediation as a means of dispute resolution other than litigation and the culture of peace where communication acts as a bridge to connect people more extensively to the general public.

The JMHO is honoured to have invited The Hon Mr Justice David Lok, Judge of the Court of First Instance of the High Court of the Judiciary and Ms. Ada Chen, Senior Assistant Law Officer (Civil Law)(Mediation) of the Department of Justice to be the members of the judging panel. They have joined the members of the Board of Directors of the JMHO to choose the winners based on the composition and design, relevance to the theme, and creativity.
